THE COFFEE CLUB

EST 89 — N°001

THE COFFEE CLUB

MasterChef sweetheart Justine Schofield has put her twist on The Coffee Club's latest menu, unveiling three recipes as part of her new role as Food Ambassador. Justine's menu additions include an all-day breakfast granola bowl and a chicken, avocado and macadamia salad. All the dishes are set to become favourites, so pop in and try something new.

ORIS

Oris's first watch to be made from bronze is the Oris Carl Brashear Limited Edition. This special timepiece commemorates the life of the first African American master diver in the US Navy, Carl Brashear. Limited to 2000 pieces, the watch features bubble-curved sapphire crystal and water-resistance to 100 metres. \$3750; +61 3 9510 0200.

CRYOMED

Hailed as the 'next evolution' in aesthetic science, the Ultraformer III has taken the anti-ageing world by storm, performing the same procedures as cosmetic surgeons — without cutting the skin. Your neck, eyelids, jawline, brows and areas of the body that are wrinkling or sagging will lift under the ultrasound technology of the Ultraformer III. It can be performed in 30 minutes with no downtime, minimal side effects and is almost completely pain-free. To find an Ultraformer clinic near you, visit www.ultraformer.com.au/find-a-clinic.

THE HOUR GLASS

Introduced as part of Parmigiani Fleurier's 2016 releases, the Tonda Metropolitaine Selene evokes the poetry of long nights under the winter moon. The key feature of this timepiece is the bronze moon-phase indicator. A mother-of-pearl dial, steel case and white calfskin strap complete Selene's winter chic colour palette. \$23,900. 1300 468 745; www.thehourglass.com.

TABLE AND DESK

Choose your dimensions to the millimetre at Table and Desk and buy with confidence, knowing you are receiving an Australian-made product of exceptional quality. Embrace your individual style and add a personal touch with more than 40 colours to choose from. Visit www.tableanddesk.com.au.

BULK NUTRIENTS

Hot on the heels of their healthy Protein Pancakes, Bulk Nutrients have released a decadent Protein Mousse. It's a powered premix, which just needs to be sprinkled over water and whisked to form a tasty mousse. It tastes great and packs an impressive 30 grams of slow-release protein. Available now at www.bulknutrients.com.au/mousse.

BILINGUAL

The Echo wedding ring collection is designed to reflect a couple's unique connection. His ring has a strong profile, that hides a carved version of her patterned ring. Her finer ring will sit well with an engagement ring or on its own. These complementary custom-made rings are available in several precious metals and with diamonds. www.bilingual.com.au.

PULLMAN

Pullman Sydney Airport opened in June as the airport's newest five-star hotel. The property has 229 rooms and is on trend with its modern design and 24-hour fitness area. The Executive Lounge and extensive meeting space also provides the ideal venue for work-related appointments. Mobius Bar & Grill offers a lively dining experience with cocktails, wine and craft beers served in an open-plan kitchen and dining room.
