

Tighten your sagging skin.

Suzie Hoitink,
Founder, Head of Nursing

Introducing a new and revolutionary lifting and tightening treatment that targets skin laxity and fine lines.

ULTRAFORMER

"Ultraformer has become the treatment of choice for patients who have not yet indicated or not willing to undergo surgery. I am thrilled to have this ground breaking technology in my clinics" Suzie Hoitink

Experience the world's No1. System for ultrasound lifting, tightening & contouring. Achieve visible results with no downtime.
