

# Ultimate Contouring Beyond Expectations

# Ulfit™

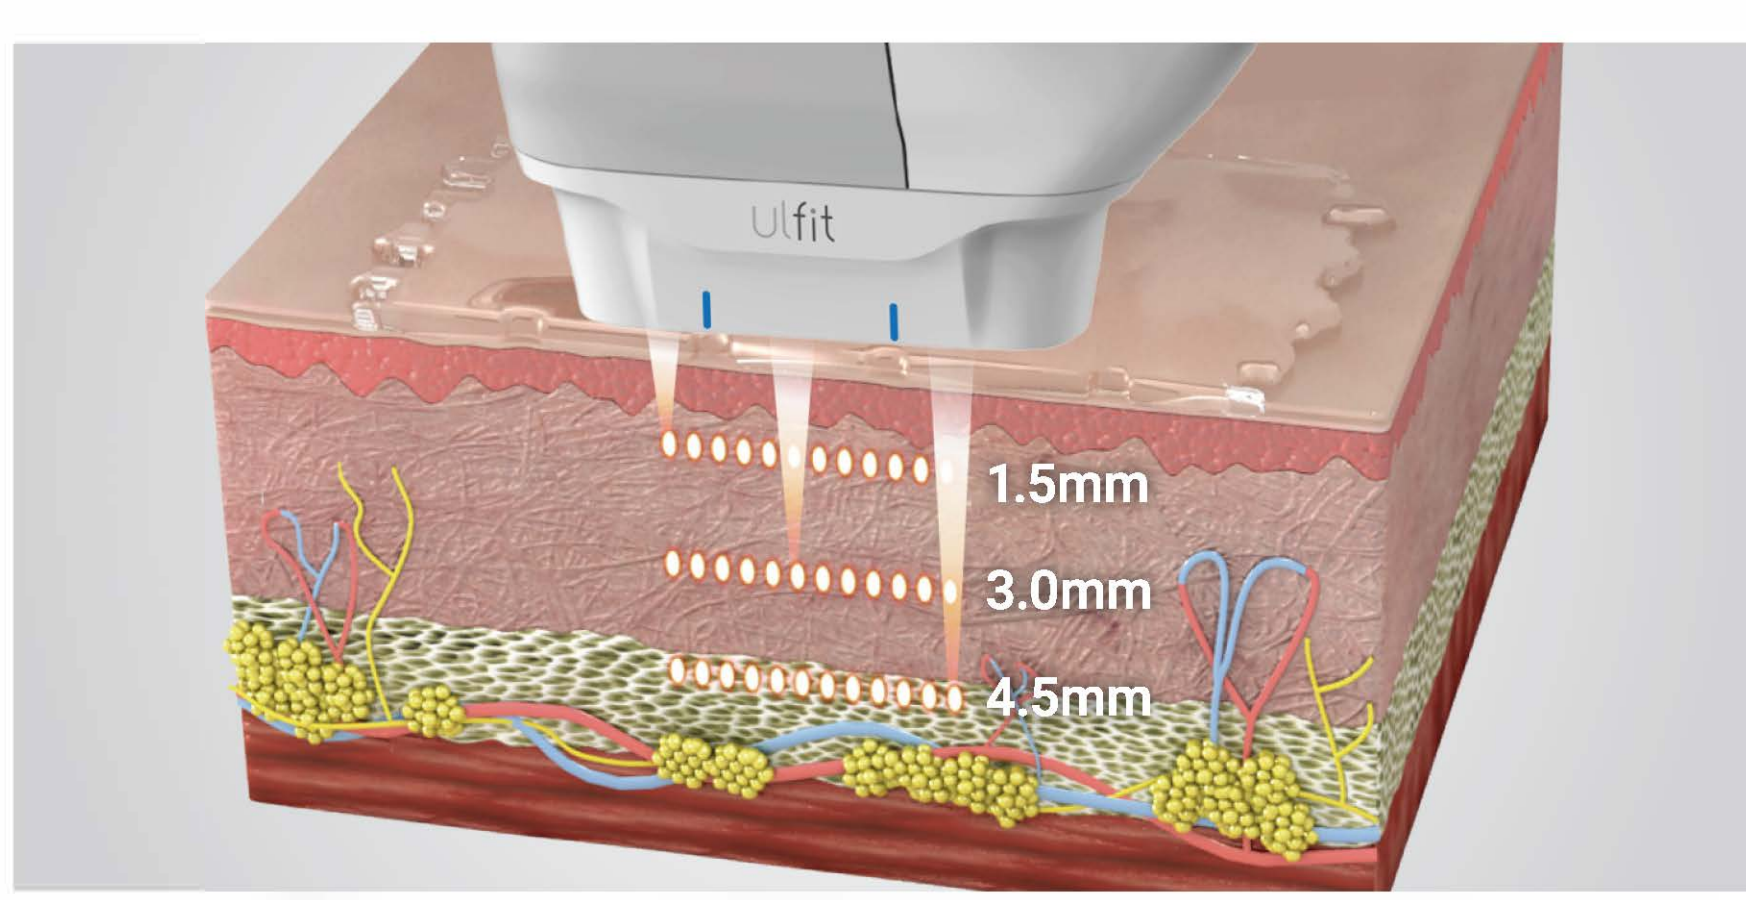

## MACRO FOCUSED CIRCULAR ULTRASOUND

- Optional Pain Control
- Face and Body Applicable
- Macro Focused Circular Ultrasound
- Micro Focused Ultrasound

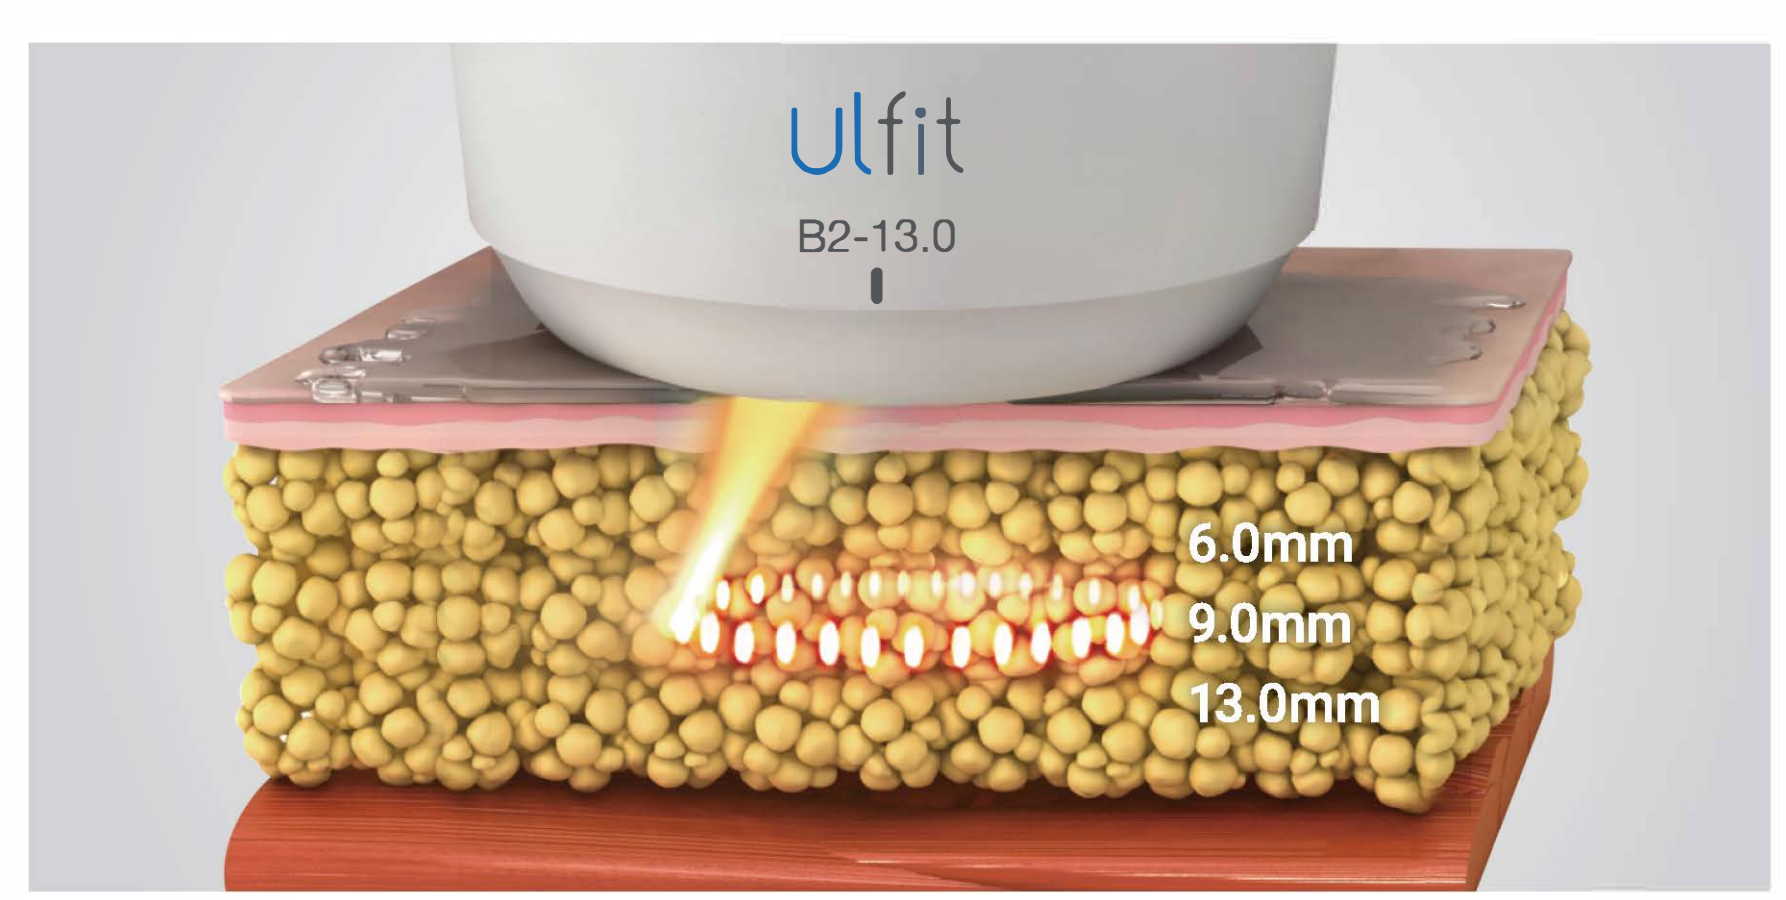

### Face Lifting

**MFU (Micro Focused Ultrasound)**  
The face is treated based on the depth necessary for the focal region at 1.5mm, 3.0mm and 4.5mm.

### Body Contouring

**MFCU (Macro Focused Circular Ultrasound)**  
The circular motion of the body cartridge covers vast areas with efficiency and precision.

## Cutting-edge Motional Body Applicator
