

GR-YOUTH MASK- PERFECTING PLUMPING MASK

PLUMP- SMOOTH- HYDRATE

Retail size : Jar 50mL

INDICATIONS

Dehydrated skin, dull complexion, lack of radiance.
Instant and long-lasting “perfect skin” effect. Plumping effect.
Ideal to be used together with the serums to enhance ingredients penetration.

ACTION

Designed for dull complexions, skin lacking radiance and hydration, this super creamy mask **replenishes the skin’s moisture barrier and visibly plumps it up**. It is enriched with hydro-refined polysaccharides, Shea Butter and Babassu oil to intensely nourish the skin, **smooth the appearance of the skin’s surface and improve its radiance**.
Skin is plumped, radiant, velvety. Instant and long-lasting « perfect » skin effect.

TEXTURE

Ultra-creamy foam texture for a unique « home-spa » like experience. With fragrance.

USE & CONTENTS

FOR AN INSTANT PERFECT SKIN EFFECT

Apply a thick layer to the face. Leave for 15 to 30 minutes. Rinse off with warm water. Use once or twice a week.

TOGETHER WITH SERUMS

Apply the Skin Perfusion serum, then a thick layer of the mask twice a week. This will boost your daily routine for visible results.

ACTIVE INGREDIENTS

[GALACTOSE-RHAMNOSE POLYSACCHARIDES]
Reswell the skin’s water content and visibly repulp.
Inhibit HA degradation to maintain skin hydration

PHYT’OLEO COMPLEX
[SHEA BUTTER+ BABASSU OIL+ JOJOBA OIL]
Inspired by lipid impregnation technology, this complex diffuses nutri-structural lipids into the skin to intensely nourish and revitalize it

SKIN TYPES

All skin types.

CLINICAL RESULTS

+55% hydration⁽¹⁾

+24% radiance⁽¹⁾

86% Instant plumping effect⁽²⁾

(1) Evaluation by dermatological scoring -results obtained after four months application on the face once per week. 21 volunteers – average age 48,9 years old (2) Self-assessment – percentage consumer satisfaction -results obtained after four months application on the face once per week. 21 volunteers – average age 48,9 years old.
